

St. Francis Levee District's Notice to Delinquent Tax Payers

SUITS TO BE BROUGHT

Notice is hereby given that there are more than a thousand land owners who are delinquent in levee taxes for the years 1915, 1916, 1917 and 1918. In many instances the taxes are small and the cost in a suit for these taxes would be many times larger than the tax itself. But these suits must be brought this year, or they will be barred by limitations. This levee belongs to you, the land owners, and can only be maintained and the bonds paid by collecting these taxes.

It is the duty of the county collector to collect these taxes at the time you pay your state and county tax, but by some error there remains a stupendously larger amount of delinquent taxes for levee than for state and county. Unless these taxes are paid right away you will force us to bring more than a thousand suits and you will have to pay the cost. We don't want this to happen.

Therefore examine your tax receipts for the years 1915, 1916, 1917 and 1918 for LEVEE TAXES, or call upon the tax collector at once. You have overlooked the payment of your levee taxes and we give you this notice to save you an enormous amount of cost and expense.

**Your Levee Taxes are Delinquent. Don't
Wait to Find It Out by Being Sued**

YOURS RESPECTFULLY,

St. Francis Levee Board

Gentlemen—My little boy had a severe case of sore eyes. I sent to the druggist for the best medicine he had for sore eyes. He sent me a bottle of Dr. Black's Eye Water. He was out of school only one day after using it. It cured him immediately. Any one is at liberty to confirm this statement by writing to me at 411 Jefferson Avenue, Jonesboro, Ark. Mrs. J. H.
